### Facts on National 084 Number Services

- Commonly owners of 0844 receive a nominal revenue/minute but usually do not get a revenue from 0845.
- Owners of 0845 have a landline rated option, on a van sign can 'cut the 8 in half to become 0345'.
- 084 owners can receive a totally free service delivering calls to any UK landlines or mobiles.
- All 'business to consumers' using 084 or 087 must now declare the service charge/minute.
- Access charges are applied by all network operators to dial any 08 number, except 080.
- Access charges from landlines or mobile networks range from 5p/min to 44p/min.
- UK 0845 numbers may work if called from overseas, but 084 is really for use within UK only.
- An 0845 option is more likely to be accepted than an 0870. 084 is included in minute bundles.
- Recognised as low call or local rate, 0845, 0844 or 0843 have a service charge of between 1p - 7p/min.
